

Swimmers Aid Surviving Cancer

Dear all,

At 9.30am on Saturday 13th July 2013 swimmers from SASC will be starting a 24 hour swim at The Quarry Swimming Centre, Shrewsbury.

Swimming will take place downstairs in the Priory Pool. Shrewsbury Community Leisure Trust (SCLT) has kindly donated the pool time free of charge.

The event is being held primarily to raise funds for Cancer Research UK. There will also be some funds raised for the club.

There will be designated pool time for all swimmers; development squad, competitive squads, masters and parents. It is anticipated that Development Squad swimmers will be Saturday am, C Squad Saturday early afternoon, B Squad Saturday Early evening and A Squad overnight. The event will be started off by our National Swimmers past and present. If Development Squad swimmers in Stingrays wish to take part, it will be possible for them to have one of their teachers swimming with them.

Obviously such an event will need a lot of help, ranging from chaperones, publicity, fundraising, to lap counters etc!

A fundraising page has been registered and can be found at <https://www.justgiving.com/SASC24hrswim/>

There is also a competition for the best poster design to advertise the event. This needs to be A4 sized and must be submitted by 7th June. There will be a prize of 2 free family swims at The Quarry pool (donated by SCLT) for the best poster.

Please can you reply with how you can be involved.

For more information please talk to Judith Lester, Dawn Horswood , Catherine Wilson or your squad reps C Squad-Kerry Preece, B Squad-Cheryl Rowley, A Squad-
