Poolside = Team Manager Short Course 25m

Manchester Snow'pen Level 3:
7th & 8th December 2019
Poolside = Coach Long Course 50m

If the competitions overlap, then it is the choice of the swimmers/parents as to which meet to attend.

The reasoning behind the overlaps of meets, is that some swimmers may want to experience different venues and give longer distance events a go, when they may not be available at the lower level meets.

With meets overlapping, it means that all swimmers can work towards the same programme and therefore session quality will flow much more efficiently.
